

MINUTES N° 008

Governance Committee ZERO Energy

Date: 1 April 2026 **Time:** 9:00 H **Duration:** — **Modality:** Virtual

1. Opening of the session

The ordinary session of the Governance Committee is called to order with sufficient quorum to deliberate and adopt resolutions. The main objectives of the meeting are to review the team's commitment status, define the community activation strategy, and advance the organisation of the in-person event scheduled for 26 April 2026.

2. Commitment assessment and roles for the second quarter of 2026

The committee dedicates a specific block to allow each member to define their action profile and concrete commitments for the period April–June 2026. It is noted that the second quarter represents a particularly significant stage in the development of the project.

Conclusion

- A collective target is established to reach **1,000 total members before 30 June 2026**.
 - The committee has defined the action profiles and collective commitments for this quarter.
 - It is agreed that all members activate notifications on the committee's internal communication channel in order to ensure a faster response rate.
 - It is agreed that, as a general strategy, contacts shall be invited to presentations or to the in-person event in order to facilitate their onboarding into the project.
-

3. Activation strategy for the existing community and session structure

The committee analyses the situation of individuals already registered within the community and discusses strategies to increase their active participation. The structure of weekly sessions as an activation tool is debated, and the frequency of business presentations is reviewed.

Agreement

- The following weekly session structure is confirmed:
- **Monday:** Community activation meeting. Committee members commit to attending on a regular basis in order to ensure visible leadership.
- **Wednesday:** Community engagement session (30 minutes). Objective: to encourage members to share the project, promote live presentations, and generate activity on social media.

- **Thursday:** Business presentations.
 - It is agreed to transition from weekly presentations to **one monthly presentation per language** (Spanish, English, and Portuguese), thereby concentrating the team's energy and improving the quality of each session.
 - It is agreed to hold an English-language presentation in the near future to serve international contacts, with the date to be confirmed within the coming days.
 - It is agreed to analyse the creation of a dedicated group targeting the younger segment within the community.
-

4. In-person event — 26 April 2026, Madrid

The committee advances the organisation of the in-person event scheduled for Sunday, 26 April 2026, in Madrid. The format, timetable, access system, and objectives of the gathering are discussed.

4.1 Format and timetable

- **11:45 h:** Guest reception.
- **12:00 – 13:30 h:** Business presentation and exposition of the ZERO Energy project.
- **13:30 – 14:00 h:** Cocktail reception and networking.
- **14:00 h onwards:** Optional lunch for attendees who wish to continue.

The proposed name for the event is "**ZERO Energy — Business Brunch / Energy, Economy & Web3**", conceived as a gathering aimed at connecting vision, relationships, and opportunities around the three pillars of the new paradigm: Energy, Economy, and Web3. Minor adjustments to the graphic materials will be made prior to their distribution.

4.2 Access system and objectives

- The criteria for access to the event will be communicated through the project's official channels.
- The minimum objective is to have **50 people at the cocktail reception** and **20 at the lunch**.
- The event serves a dual purpose: **to energise the participation of individuals already registered** in the project and **to support the onboarding process** of new interested contacts.
- The committee will establish a consolidated attendance forecast for the event before 8 April.
- The distribution of roles and responsibilities during the event will be defined at the meeting of 8 April 2026.

Agreement

- The event format and timetable are confirmed as described above.
- The access system is subject to the criteria officially communicated by the project.
- Minimum objective: 50 attendees at the cocktail reception / 20 at the lunch.
- The committee will establish a consolidated attendance forecast for the event before 8 April.

- The graphic materials (poster, reference video, and presentation page) will be distributed in the committee's internal channel this week.
 - The committee commits to reviewing the project's business plan and audiovisual materials prior to the event.
-

5. Business presentations — Immediate management and calendar

It is agreed that the business presentation scheduled for this same afternoon (Wednesday, 1 April) will be covered by the committee. The definition of the monthly presentation calendar by language for the coming months is likewise assigned.

Agreement

- The business presentation of 1 April is confirmed as covered by the committee.
 - The monthly presentation calendar in Spanish, English, and Portuguese will be defined and communicated before the next ordinary meeting.
-

6. Next meeting

The next ordinary session of the Governance Committee will take place on **Wednesday, 8 April 2026 at 9:00 h**. The agenda will include the distribution of roles and responsibilities for the event of 26 April, as well as the follow-up on the resolutions adopted during the present session.

7. Closing of the session

With no further matters to discuss, the session of the Governance Committee is hereby adjourned.
